DRAFT - REVIEW BEFORE DISTRIBUTION
Confirm the proposed 12-month eligibility period and complete the privacy contact and retention information before collecting responses. This copy does not indicate approval.
Ipa-confirm ang 12-buwang eligibility period at kumpletuhin ang privacy contact at retention information bago mangolekta ng sagot. Hindi patunay ng approval ang kopyang ito.

We are FloodSense student researchers from Cavite State University - Bacoor City Campus. This Thesis A follow-up survey asks about flood-information and preparation needs in Bacoor.
Kami ay FloodSense student researchers mula sa Cavite State University - Bacoor City Campus. Inaalam ng Thesis A follow-up survey na ito ang pangangailangan sa impormasyon at paghahanda sa baha sa Bacoor.

You may be from any Bacoor barangay. You do not need to have joined the earlier survey or to install or test FloodSense. Participation is voluntary.
Maaaring sumali mula sa alinmang barangay sa Bacoor. Hindi kailangang nakasali sa naunang survey o mag-install o sumubok ng FloodSense. Boluntaryo ang pagsali.

Please answer only once. Tick one box for each multiple-choice question. Your name and barangay are optional. You may skip any main survey question or stop before handing in your questionnaire. Answers reporting sufficient information or no difficulty are equally important.
Pakiusap, isang beses lamang sumagot. Lagyan ng tsek ang isang kahon sa bawat multiple-choice question. Optional ang pangalan at barangay. Maaaring laktawan ang anumang main survey question o huminto bago ipasa ang questionnaire. Mahalaga rin ang sagot na sapat ang impormasyon o walang naging hirap.

Section 1: Data Privacy Notice

Pahayag sa Pagkapribado

The FloodSense student research team provides this notice with reference to Republic Act No. 10173, the Data Privacy Act of 2012.
Ibinibigay ng FloodSense student research team ang notice na ito kaugnay ng Republic Act No. 10173, ang Data Privacy Act of 2012.

We collect consent, eligibility answers, optional name and barangay, and survey answers for academic needs assessment and requirements planning. No phone number, email, exact home address or GPS coordinates are requested.
Kokolektahin ang consent, eligibility answers, optional na pangalan at barangay, at survey answers para sa academic needs assessment at requirements planning. Hindi hinihingi ang phone number, email, exact home address o GPS coordinates.

Section 1: Data Privacy Notice - continued

Pahayag sa Pagkapribado - pagpapatuloy

The optional name only helps locate your response for a later correction or withdrawal request. Names are excluded from analysis and reports and are not used to link this survey to the earlier survey.
Ang optional na pangalan ay pantulong lamang sa paghahanap ng response kung hihiling ng pagwawasto o pagbawi. Hindi isasama ang pangalan sa analysis at reports, at hindi gagamitin para iugnay ang survey na ito sa naunang survey.

Paper forms must be kept securely. Any digital copies must be in a restricted research account. Identifiable records are limited to the research team, thesis adviser and authorized academic reviewers where necessary.
Dapat ligtas na ingatan ang paper forms. Kung may digital copies, dapat nasa restricted research account ang mga ito. Ang records na may pagkakakilanlan ay para lamang sa research team, thesis adviser at awtorisadong academic reviewers kung kinakailangan.

You may request access or correction, withdraw consent, or request blocking or erasure where applicable, and complain to the National Privacy Commission. Requests depend on applicable rules and whether your record remains identifiable.
Maaaring humiling ng access o pagwawasto, bawiin ang consent, humiling ng pagpapatigil sa paggamit o pagbura kung naaangkop, at magreklamo sa National Privacy Commission. Nakabatay ang request sa naaangkop na rules at kung matutukoy pa ang inyong record.

Participation is voluntary and may be stopped without penalty. At Question 1, Yes means you agree to participate and to the collection and use described here. If No, stop. If an eligibility requirement is not met, stop screening; those answers are not qualified survey responses.
Boluntaryo ang pagsali at maaaring huminto nang walang parusa. Sa Question 1, ang Oo ay pagpayag sa pagsali at sa pagkuha at paggamit ng datos na nakasaad dito. Kung Hindi, huminto. Kung hindi pumasa sa eligibility, huminto sa screening; hindi qualified survey responses ang mga sagot na iyon.
